

LIGHTING

We are currently in the process of re-writing our lighting plot. As a guide in the meantime, being an 80's themed show a 4 colour wash will suffice with lots of bright colours (no whites)

LIGHTING GUIDE – SET 1

START

On clearance, house lights out, intro music plays.

At end of intro music, Drums and vocals start, **open TABS, full stage lights.**

END

Set 1 ends with ordinary world, Song Finishes and Chris (singer) says, "Thank you so MUCH! see you back in 20 minutes" **Close TABS on MUCH!**

LIGHTING GUIDE – SET 2

START OF SET 2

Song: THROUGH THE BARRICADES

Stage in darkness, smoke machine.

Light on guitarist for intro of song

Lead vocalist enters stage right, Lights on vocalist and guitarist

Full Stage lights when full band come in

END OF SET 2

Song: TRUE

"That's it, you have been an amazing audience, and thank you for supporting live music, we hope you have enjoyed tonight and we hope to see you again."

" WE ARE FROM GOLD TO RIO.....GOODNIGHT"

Band Leave stage, Lights down

Wait for band to reappear, Lights on

ENCORE
